HAVE A SAFE AND BLESSED CHRISTMAS HOLIDAY!

Webbers Falls Public School will be launching a new website soon. This website will be designed by Apptegy. The thing that is exciting about this new company is that there is an “app” for it so you can access information from your smart phone. Although the website is not accessible at this time, the app is.

To download the Webbers Falls Public Schools app, go to your device’s app store. In the search bar, enter “Webbers Falls Public Schools”. The app should appear. Download and install the app.

The app does not have all the features of the website. However, you will be able to access the following:

- Live Feed (current school events)
- News (News stories from organizations or other venues)
- Events (input from our School calendar)
- Staff (email addresses)
- Dining (breakfast and lunch menus)
- Documents (Policies, handbooks, employment forms, etc.)
- Notifications (You will receive notifications from the school)
- Settings (You will need to turn on your notifications in this location)

Another exciting thing about using Apptegy is that phone calls may be made from this site for the following:

- School Emergencies
- School Closings
- Daily Student Absences
- Text Alerts/Notifications

Please make sure your telephone numbers are up-to-date. Also, if you have an email address, please provide that to the school.

The old website is still being used. You will receive more information when the new website is up and running.

For the Webbers Falls Public Schools staff, “Have a blessed and safe holiday.”
